

Minimum System Requirements

Qbase Fundraising Manager™

- Intel Pentium III or equivalent processor, running at 450 MHz
- Broadband Internet connection, such as DSL or cable modem, with at least a 1.5MB/second throughput
- Internet Explorer 7
- Windows XP or higher, or Mac OS X 10 or higher
- Microsoft Excel 2003 or 2007 (or compatible spreadsheet software) and/or Adobe Acrobat 4 are required to view exported data

Additional

- While your Qbase Fundraising Manager website will look acceptable at most screen resolutions, it's designed to look best at a resolution of 1024x768 with at least 16-bit color.
- Be sure to add your Qbase Fundraising URL to your popup blocker's list of acceptable sites.
